Figure 5-2: Prerequisite structure of CpE courses

NOTES:

1. Double ended dashed arrows indicate co-requisite courses
2. A rightward pointing dashed arrow indicates that the course to the right of the arrow may be taken concurrently with its pre-requisite course (on the left side of the arrow)
3. 'CSC' courses are offered by the Department of Computing Sciences, an ABET-accredited program
4. Prior to 2018, the co-requisite courses ECE 3245 (lecture, 3 cr) and ECE 3230 (practicum, 1 cr) were offered as a single course ECE 3240 (lecture & practicum, 4cr)
5. In Spring 2019, EGR 1205 was replaced with ECE 1205 - see explanation in footnote 4 in subsection A.5 of this Criterion
