Villanova University
Department of Electrical and Computer Engineering
ECE 5991
Application for Senior Research Project Topic Approval

Name_____   ID Number_____

Credits Completed_____   Current GPA_____

Semester of Registration_____   Year of Registration_____

Project Advisor _____

Project Title _____

I wish to submit for approval the following topic or problem for my senior research project.

At this time, I believe that an investigation of this topic or problem should explore these main points.

I expect to submit to my advisor the final copies of my research paper by the following date:_____

Students with a senior standing in electrical or computer engineering may register for ECE 5991 and ECE 5992. Students with a GPA of 3.0 or better will be authorized for registration in these courses. Students registered for this course are expected to do independent research work with a faculty member. To receive a grade for this course, students are required to submit a written research paper (using the IEEE Conference and Journal Standards). This paper must be approved by a faculty advisor.
